NO. 44.

Reason Why Citizens Should Vote Against Republican State Ticket.

Numerous reasons can be given why voters should not cast their ballots for Col. Belknap in the coming election. The comparison of the administration of Governor Beckham with the administration of his two predecessors, W. S. Taylor and W. O. Bradley, shows plainly why the people of the state should prefer democratic rule rather than government by the republicans.

Among the reasons why citizens should vote against Col. Belknap and the republican state ticket are the following:

Kentucky stolen from Bryan in 1896.

Bradley's administration extravagant and corrupt, with scandals in public institutions.

The use of the military in Louisville, and of thin ballots in the mountains—the purpose of both being the defeat of the popular will and the debauching of the ballot box.

The calling out of the military under Bradley to overawe the legislature and prevent the election of a United States Senator; and by Taylor to destroy the legislature and prevent the election of a governor.

The dispersal of the legislature at the point of the bayonet, and its chasing through the streets of the state capital by an armed soldiery.

The defiance of the courts by Taylor and his overthrow of the great writ of habeas corpus.

The thousands of desperadoes

carried to Frankfort in the disguise of soldiers.

The threats and plots of assassinating the supreme court, and the flight of that tribunal from Frankfort, to escape death.

The conspiracy to kill off enough members of the legislature to give the republicans a majority.

The bloody assassination of Governor Goebel.

The pardon of the accused assassins of Governor Goebel by Taylor.

The flight of Taylor and Finley to Indiana after their indictment for the assassination of Governor Goebel.

Long and desperate flight made by Powers and Howard to escape the just consequences of the crime for which they have been indicted, and twice convicted—a flight made possible only by the voluntary financial contributions of republicans all over the state.—Lexington Democrat.

Wright-Cox.

October 27th, 9 o'clock a. m. at the Cottage Hotel, Butler, Mo., Capt. T. J. Wright, Vice President of the Walton Trust Co., Butler, Mo., was married to Mrs. Nannie Cox, of Ford, Ky., Rev. Wm. Jones officiating. The couple took the noon train South. Will return about 1st week in Nov. to occupy the Captain's nice residence on High Street in Butler.

Capt. Wright is a brother to Mr. J. P. Wright, of Spout Spring, and is well known here.

Preaching at Salem.

Elder R. L. Brandenburg, of Rice Station, will preach at Salem Baptist church at Spout Spring Saturday, Nov. 7 and 8th. Elder Brandenburg is a very earnest minister and interesting speaker. Let a full attendance come out and hear him.

Two for The Pen.

James Oldham has been sentenced to the penitentiary by the Clark Circuit Court for horse stealing, and James Miller has also received a sentence for assault on his paramour, Jennie Smith.

Heired a Fortune at Eighty.

Mrs. Nancy Short, a widow eighty years old living in Daviess county has suddenly fallen heir to \$1,000,000 in money and real estate now in control of the Bank of England. Steps have been taken to collect it.

Fine Weather.

Nicer fall weather was never seen than we have had the past week. The sun has shone bright every day and the nights have been cold with big white frosts each morning, and ice froze a bout one quarter of an inch thick.

Plenty of Apples in Henderson.

H. R. Whiteside, of Louisville, has bought 10,000 barrels of apples in Henderson county where, by the way, fruit of this kind seems to have flourished more than anywhere else in Kentucky this year.

State Meeting of K. P.

The thirty-fifth annual meeting of the Grand Lodge of Knights of Pythias of Kentucky is in session at Lexington. The attendance is large. The Covington company won first prize in the competitive drill. The Knights are being royally entertained.

Admits a Truth.

The Winchester Sun-Sentinel virtually admits that Powers is to be pardoned if Belknap should be elected in the following lines: "Say, brother friend Democrat, do you think that Caleb Powers had a fair and impartial trial? If you have any doubt about it, remember that a vote for Mr. Beckham is a vote to hang him."

With Beckham as Governor Powers will have as good showing to live as Goebel had nearly four years ago while innocently walking in front of Powers' office.

Broke Into His House.

S. Le Quinn, of Cavendish, Vt., was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and now he's entirely cured. They're guaranteed to cure, 25c at Swann-Day Lbr. Co's. store.

Beets Two Feet Long.

In the vegetable display to be made by Kentucky at the World's Fair there will be several beets two feet in length grown by Mr. John Knudler of Valley Station. These have been put in dry storage and will be held there until shipped to St. Louis with the rest of Kentucky's agricultural display next Spring.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and Bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00. bottles guaranteed by Swann-Day Lbr. Co. Trial bottles free.

California Yard Beans.

Mr. J. T. Gilky, who lives near Winchester has sent to the Kentucky Exhibit Association a sample of the "California Yard Bean," grown himself from seed sent to him from the native clime of the vegetable. These beans have the right name, being fully three feet in length, and have taken very kindly to the Kentucky soil.

A Love Letter.

Would not interest you if you're looking for a guaranteed Salve for Sores, Burns or Piles. Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best Salve on earth. 25c at Swann-Day Lbr. Co's. store."

The Republicans took charge of the State government when the tax rate was 42½ cents and increased it to 52½ cents, the highest tax rate ever known. They doubled the State debt by borrowing \$500,000. When they turned the management back to the Democrats in 1900 there was \$364,000 in the Treasury with debts and obligations against the State about \$2,000,000.

Irvine Items.

[Irvine Herald.]

Frank Congleton, who was injured two weeks ago while handling logs, is able to be out.

Born, to Charles Orr and wife twin boys; weight 7½ and 9 pounds. Charles and Robert.

R. M. McFarland and family, of Henderson, were the guests of Mrs. Lou L. Jackson last week.

H. B. Todd has purchased the V. P. Smith residence on Main street, and took possession yesterday. H. C. Rice, who occupied the home, removed to the Collins place which was occupied by Mr. Todd.

Judge W. M. Beckner, Republican candidate for Attorney General, will speak at Stanton next Monday at one o'clock.

Confession of a Priest.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years." If you want a reliable medicine for Liver and Kidney trouble, stomach disorder or general debility, get Electric Bitters. It's Guaranteed by Swann-Day Lumber Co. Only 50c.

Farm For Sale.

Ninety acres of good land well improved, at Lilly's Ferry, one mile west of Spout Spring. Well watered, fine orchard, good dwelling of six rooms and all necessary outbuildings. Good neighborhood and other conveniences. Will sell at a bargain. ALLEN OSBORN, Spout Spring, Ky.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little bit. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

Ahead in Flour?

Well, we should say so! So far ahead that our

Best Patent and Mountain Lily

have become standard brands. There are hundreds of flours to choose from, but the housewives know that MANSFIELD'S is the best. It is milled from the very best wheat on an up-to-date roller mill, run by water power. It is white and has the natural taste and flavor of the wheat berry. That is why we are ahead in flour.

Buy it from your grocer. No greater cost, but much greater value.

SPOUT SPRING.

J. H. Dawson has been down from Miller's Creek the past week.

B. L. Burgher and family visited Mr. and Mrs. J. E. Burgher at Clay City Friday.

Corn is a very scarce article in this community and the same is meeting with ready sale at \$3.00 per barrel.

Merchants W. J. Christopher and R. H. Curtis are receiving their fall and winter goods, and can now suit you in style and price.

J. Dillard Snowden who moved to Hardwick's Creek last fall, leaving his farm near the burg, has moved back to the old home place.

As previously stated in a recent issue of the TIMES, there will be preaching at the Methodist church the coming Sunday by Pastor Crawford.

Elder B. F. Wright and Asa Todd, two of our most substantial citizens who have been visiting Western relatives, returned home the last of the week.

Elder T. P. Edwards, of Wagersville, was here Monday a short while. He was on his way home from Bowen where he had been to fill an appointment.

Thos. Williams, the Democratic nominee for Circuit Court Clerk, besides getting the vote of every Democrat in this precinct, will also get a host of Republican votes.

Jack Curtis has been very dangerously sick at the home of his brother near this place. Drs. Littlepage and Irvin have each been called in and the young man is now on the mend.

John Ballard, who always imagined town life ideal happiness, grew suddenly worse and moved to Clay City last week, leaving the old plantation behind. John will probably winter there.

Mrs. P. C. Pryor was called to Lexington the last of the week to be present during the performance of a very dangerous operation on her daughter, Mrs. Ray McKinney who has been at St. Joseph's Hospital for several days.

Now for a Change.

We fail to see why anyone wants a citizens or Republican ticket elected. We have been experimenting with such a council the past two years, and every citizen in Clay City knows the character and short-comings of such an administration too well.

With due respect to each member of the City Council, we have seen during the present administration:

The \$1,000 bridge fund disbursed.

Sometimes no meeting of the Council for four months.

Revenue expended, nothing of permanent value in return.

Side walks run down to an extremely dangerous condition.

Damage suits pending against the town for a total of \$7,000.

Mud streets in the winter season and dusty streets in summer.

The two thousand dollars in the City treasury recklessly expended.

Unpaid judgment against the city for \$600 and not a cent to pay it.

Unlimited profanity in the council chamber and an effective ordinance against swearing.

Telephone rate increased three dollars per box in business houses without any further cash consideration.

Some of the most important streets in the town fenced up by individuals and that without any consideration.

\$1,500 expended on an addition to an already adequate school building when the same should have been built for \$500.

The sale of an exclusive telephone franchise for 20 years for the pitiful sum of \$5 and without even requiring the company to put in an exchange.

The law requiring the publication of the town's financial condition on Jan. 1st of each year, showing the receipts and disbursements, evaded and ignored to escape just criticism from the hands of the taxpayers.

Numerous other omissions and commissions of law and order.

Now, don't forget that this council was elected on a citizen's (?) ticket and they are now asking your indorsement and suffrage again, but don't you think a change is needed bad enough for you to vote for the Democratic nominees who will give us a better municipal government? We do, and the majority of the voters in the city are with us.

Gov. Bradley's U. S. Senator A. T. Wood of Mt. Sterling, said in a speech the other day: "The Democratic party intends robbing the Republicans of Lou-

isville and of Lexington. In that event we will again resort to shotgun methods." This candid admission that shotgun methods were resorted to before ought to prove to every doubting Thomas that Gov. Goebel was assassinated in pursuance of a conspiracy made and entered into by Republican leaders, all of whom deserve the most ignominious death.—Lexington Democrat.

The editor of a Republican exchange has learned by consulting the postoffice directory that there is no such postoffice as Wallum, Ky. and that Dundee is only a railroad station in this county. There is also no such postoffice in Clark county as Puckett and our neighbor should have consulted his directory two weeks earlier.

W. G. Patrick, the Prohibition candidate for Representative is assured of a host of Democratic votes since they have no candidate of their own. Most Democrats prefer a Prohibition to a Republican. To vote for Mr. Patrick one doesn't have to scratch the regular Democratic ticket.

They speak to us about Goebelism, Bheekhanism, Redwineism, the Music Hall convention and so on, but did any body ever hear of such a muddle as the Republicans are into in the Eleventh, and this scramble too to get the place left vacant by a deceased brother. Would you have thought such?

There will be separate officers and ballots for the municipal election, and this is not approved of by the Republican party. Of course not. They have realized for some time that their ticket would be defeated nearly two to one, and like a drowning man, are catching at straws.

Is that man who uses every effort to defeat regular Democratic nominees, whether in state or municipal elections, a true Democrat? Well, they are not often classed as such.

Next Tuesday will settle it. Wednesday Col. Belknap and his gang of traitorous Democrats and "sich" will charter a boat and sail up Salt river to the town of Oblivion.

Voter straight under the roof.

To the Voters of Estill and Powell Counties:

I am the candidate of the Prohibition party to represent the 73rd district in the next Legislature. I will not be able to make a canvass of the district, and I take this method of notifying the people of my candidacy, and respectfully solicit their votes, believing that this is a most favorable time for the virtuous and stable manhood of our district to express their honest convictions on this great question above and beyond all economic questions in importance. Beyond all question, strong drink is at the bottom of all lawlessness and crime which is now driving away the capital and skilled labor which is necessary to the rapid development of our richly endowed State.

If elected, I will not be the tool of any party clique or ring, but will be at perfect liberty to support all measures that have for their object the general welfare of all the people, and I will oppose any measure to squander the people's money.

If you elect me I shall do my best to show myself worthy of your confidence and support.

Sincerely yours,
W. G. PATRICK.

Cured

At 70 of Heart Disease Contracted

During Civil War—
Veteran Grateful.

Dr. Miles' Heart Cure
Effected Cure.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil War I contracted heart disease, and in 1866, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, and the Nervine and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began to appear and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity."—J. L. SLAUGHTER, Salem, Va.

Frank Brown Shot Dead.

Frank Brown was killed at Newport Saturday evening while on duty at the bridge. He was shot in an altercation which came up over an old grudge. Mr. Brown formerly lived here and is a cousin to Clay Brown now a resident of this city, but who was at Newport when the tragedy occurred.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia and that it is pleasant and safe to take. For sale by all dealers in patent medicine.

The minutes of the Boone's Creek Association are being distributed among the various churches, among them being Salem, Filson and Powell's Valley. The statistics show a membership of 2,088. The total collections of these churches for all purposes is \$5,914.04.

Do Good—It Pays.

A Chicago man has observed that, "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures I know it for it has helped me out many a time." Sold by all dealers in patent medicine.

Mesdames W. D. Lyle and Nettie Hall, of Missouri, who have been visiting relatives in this county for several weeks, left here Monday for their home. They will stop off at Cynthiana and visit their sister, Mrs. Joel Reed for a few days.

The long talked of L. & E. branch road running from Indian Fields to Mt. Sterling is being surveyed this week. We would very much like to see this branch built from Clay City and believe it would be equally as profitable to the railroad people as if built from Indian Fields.

Only a Very Few Published.

It is impossible for the proprietors to publish more than a very few of the numerous letters received in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy and telling of its remarkable cures. They come from every walk in life and from every state in the Union. The following from Mr. T. W. Greathouse, of Prattburg, Ga., speaks for itself: "I would have been dead now but for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me of chronic diarrhoea after seven years of suffering. I can never say too much in praise of that remedy." For sale by all dealers in patent medicine.

Don't Hunt Without Permission.

The law is now such that no one can hunt on the inclosed lands of another without his permission. It is not required that the place must be posted. The statutes upon this subject read: "Whosoever shall enter upon the inclosed lands of another for the purpose of hunting, fishing or shooting without permission from the owner, shall be fined from \$5.00 to \$20.00 for each offense." This is a good law and should be executed by every farmer.

Ran a Ten Penny Nail Through His Hand.

While opening a box, J. C. Mount of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by all dealers in patent medicine.

HEALTH

"I don't think we could keep house without Thedford's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a doctor in the house for that length of time. It is a doctor in itself and always ready to make a person well and happy."—JAMES HALL, Jacksonville, Ill.

Because this great medicine relieves stomach pains, frees the constipated bowels and invigorates the torpid liver and weakened kidneys

No DOCTOR

is necessary in the home where Thedford's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Thedford's Black-Draught cures biliousness, dyspepsia, colds, chills and fever, bad blood, headaches, diarrhoea, constipation, colic and almost every other ailment because the stomach, bowels, liver and kidneys so nearly control the health.

Prices were low but trade was tolerably brisk at prevailing prices and most of the stock on hand were sold.

The best prices of the day were brought by some good 1200-pound feeders, which brought \$3.70. Heifers brought 2½ to 2¾ according to quality.

Quite a number of weanling mules were sold. Common to fair mule colts brought \$35 to \$45; fair to good ones, \$45 to \$60.

At Scobee's Yards there were about 400 cattle on the market. Many of these were sold privately by the head. Among the sales were the following:

R. P. Taylor bought 2 steers, wt. 1,200 lbs., at \$3.70.

J. M. Pickrell sold to W. W. Gay 5 steers weight 1030 lbs. at \$3.35.

J. Will Strode bought a dozen or more good mule colts at an average price of about \$60.

School Life.

A writer in Word and Works is accredited with the following splendid article:

School life is the most enjoyable and the most profitable period of a person's existence. It should be improved. No time should be lost. You should be as regular in attendance as the ticking of the clock—sickness, of course, considered. Every lesson you miss is a link out of the chain. You know that every link taken from a chain makes it worth less. If we should fail to eat for a day or two days, a week at a time—well, you know the result. So, if we are so careful to feed the body regularly, why not be as careful to feed the mind as regularly? "The mind will be fed," is a self evident truth; but it should be at regular intervals. It should also be fed on the right kind of food.

Punctuality is the next in importance. Do you make any effort to get to school on time? Never allow yourself to be tardy. If you do, you are losing time—valuable time. You may lose some important lesson. When will you ever get back the lost time? An opportunity once gone is gone forever. Be on time. Be ready to recite when the class is called. Be first to go into the school room when the bell rings. Be first on the play ground—but don't be first or last or any—to get angry because you don't always get your way.

Obedience is a very pretty word, too. Boys and girls who are obedient at school come from a home where they are obedient. The experienced teacher knows this about the first day. You should not get mad at the teacher, if he or she asks you to do something you don't like to do. Or if you are asked to stop doing anything that your teacher (or parent) thinks is an injury in some way. In other words don't

"cut off your nose to spite your face." Don't be dry and pout, and thus show contempt for authority. Your teacher and parents certainly know more about these things than you do.

While you are thinking over these things, don't forget this word—diligence. Prepare every lesson well. Study, ask questions. The teacher who won't allow you to ask proper questions should find some other employment. Don't try to get through your books too soon. What good does it do the corn to go through it with the hoe on your shoulder? I've had pupils to say that they had "gone through" Ray's 3rd two or three times, and when I examined them, found that they could not solve half the problems in it—and none of the common every day questions. Why? Think over this.

Pine Ridge.

J. D. Chism was here on business this week.

Harry Niblack visited W. V. Niblack Saturday.

Mr. and Mrs. R. M. Gay visited the latter's parents this week.

Mr. Jones, of Winchester, was here this week looking for timber.

P. B. Turner sold Monday to R. C. Gatewood thirty 900-lb. feeding cattle. He also sold eight to Gorey Bros. and ten to Jonas Weil. The lot averaged him 4½ cents.—Mt. Sterling Gazette.

There's Life and Strength in Every Drop.

A scientific combination of the essential constituents of PRIME BEEF and PURE OLD MALT.

Louisville, Ky., January 22, 1903. MEAT & MALT CO., Louisville, Ky.

Gentlemen—Having examined your Meat and Malt preparation, and being thoroughly acquainted with its composition and mode of manufacture, I can state that it is an efficient nerve and blood tonic. It excites the appetite and invigorates digestion, and is especially beneficial in nervous prostration and all diseases attended with debility. Yours truly, L. D. KASTENBINE, M. D., Louisville College of Pharmacy.

Irvine, Ky., Sept. 14, 1903.

It has been reported throughout the county by some unknown persons that I and my friends were against Jas. A. Wallace, the Republican nominee for clerk of the Estill Circuit Court. I want to say to the Republican voters of Estill county that I am for Jas. A. Wallace, the nominee, and will vote for him and do all in my power to elect him, and I now ask all my friends to do the same, as it would be injustice to me for my friends to do otherwise, and I ask that this statement be published to the world to show how I stand in the matter.
